16 **TITLE II—RESERVE FUNDS**

17 **SEC. 201. RESERVE FUND FOR MEDICARE PRESCRIPTION**

18 **DRUGS.**

19 (a) MEDICARE PRESCRIPTION DRUG BENEFIT.—In  
20 the House, if the Committee on Ways and Means, the  
21 Committee on Energy and Commerce, or both committees  
22 report a bill, or an amendment is offered thereto or a con-  
23 ference report thereon is submitted, which provides a pre-  
24 scription drug benefit under the medicare program that  
25 is voluntary, equitable, comprehensive, affordable, depend-

1 able, protects beneficiary access to drugs, and is cost effec-  
2 tive, the chairman of the Committee on the Budget shall  
3 revise allocations and adjust aggregates in this resolution  
4 by the amount provided by that measure for that purpose,  
5 subject to section 203.

6 (b) DEFINITIONS.—As used in this section:

7 (1) The term “equitable” means that all medi-  
8 care beneficiaries shall receive comprehensive pre-  
9 scription drug coverage and that coverage shall be  
10 accessible to all beneficiaries regardless of where  
11 they live.

12 (2) The term “comprehensive, affordable, and  
13 dependable” means that all beneficiaries shall have  
14 access to a drug benefit that contains a defined ben-  
15 efit and premium and coverage at all levels of drug  
16 spending, is administered through a stable and de-  
17 pendable delivery system so that beneficiaries will  
18 not lose coverage or face significant premium in-  
19 creases from one year to the next, and provides ad-  
20 ditional assistance with premiums and cost sharing  
21 to low-income beneficiaries.

22 (3) The term “protects beneficiary access to  
23 drugs” means that the benefit shall include coverage  
24 for all medically necessary drugs and shall preserve  
25 access to local pharmacies.

1           (4) The term "cost effective" means that the  
2       benefit shall include measures that lower the cost of  
3       prescription drugs and not include measures that  
4       would encourage employers to drop existing retiree  
5       coverage.

6   **SEC. 202. RESERVE FUND FOR HEALTH INSURANCE COV-**  
7                           **ERAGE FOR THE UNINSURED.**

8       In the House, if the Committee on Ways and Means,  
9       the Committee on Energy and Commerce, or both commit-  
10      tees report a bill, or an amendment is offered thereto or  
11      a conference report thereon is submitted, that would pro-  
12      vide affordable, comprehensive health insurance coverage  
13      to the uninsured and builds upon and strengthens public  
14      and private coverage, including preventing the erosion of  
15      existing coverage under medicaid, the chairman of the  
16      Committee on the Budget shall revise allocations and ad-  
17      just aggregates and in this resolution by the amount pro-  
18      vided by that measure for that purpose, subject to section  
19      203.

20   **SEC. 203. TOTAL ADJUSTMENTS TO ALLOW FOR MEDICARE**  
21                           **PRESCRIPTION DRUG BENEFIT AND HEALTH**  
22                           **INSURANCE COVERAGE.**

23       The total of adjustments allowed under sections 201  
24      and 202 shall not increase the cumulative deficit or de-  
25      crease the cumulative surplus (whether by changes in reve-

1 nues or direct spending) by more than \$131,000,000,000  
2 for the period of fiscal years 2004 through 2008 and  
3 \$528,000,000,000 for the period of fiscal years 2004  
4 through 2013, excluding interest.

5 **SEC. 204. CONTINGENCY PROCEDURE FOR SURFACE**  
6 **TRANSPORTATION.**

7 (a) COMMITTEE ON TRANSPORTATION AND INFRA-  
8 STRUCTURE.—In the House, if the Committee on Trans-  
9 portation and Infrastructure reports a bill or joint resolu-  
10 tion, or if an amendment thereto is offered or a conference  
11 report thereon is submitted, that provides new budget au-  
12 thority for the budget accounts or portions thereof in the  
13 highway and transit categories as defined in sections  
14 250(c)(4)(B) and (C) of the Balanced Budget and Emer-  
15 gency Deficit Control Act of 1985 in excess of the fol-  
16 lowing amounts:

- 17 (1) for fiscal year 2004: \$39,233,000,000,  
18 (2) for fiscal year 2005: \$39,998,000,000,  
19 (3) for fiscal year 2006: \$40,841,000,000,  
20 (4) for fiscal year 2007: \$41,684,000,000, or  
21 (5) for fiscal year 2008: \$42,605,000,000,

22 and the amount of such excess in each such year is offset  
23 by reductions in the deficit caused by such legislation or  
24 any previously enacted legislation that changes direct  
25 spending from, or receipts subsequently appropriated to,

1 the Highway Trust Fund, then the chairman of the Com-  
2 mittee on the Budget may increase the allocation of new  
3 budget authority for such committee by the amount of  
4 such excess for fiscal year 2004 and by the total amount  
5 of such excesses for the period of fiscal years 2004  
6 through 2008 and make the necessary offsetting adjust-  
7 ments in the appropriate budget aggregates and alloca-  
8 tions.

9 (b) COMMITTEE ON APPROPRIATIONS.—In the  
10 House, if the Committee on Appropriations reports a bill  
11 or joint resolution, or if an amendment thereto is offered  
12 or a conference report thereon is submitted, that estab-  
13 lishes obligation limitations that in total are in excess of  
14 38,496,000,000 for fiscal year 2004, but not to exceed the  
15 amount of such excess that was offset pursuant to sub-  
16 section (a), for programs, projects, and activities within  
17 the highway and transit categories as defined in sections  
18 250(c)(4)(B) and (C) of the Balanced Budget and Emer-  
19 gency Deficit Control Act of 1985 and if legislation has  
20 been enacted that satisfies the conditions set forth in sub-  
21 section (a) for such fiscal year, then the chairman of the  
22 Committee on the Budget may increase the allocation of  
23 outlays for such fiscal year for the Committee on Appro-  
24 priations and the Committee on Transportation and Infra-  
25 structure, as appropriate, by the amount of outlays that

1 corresponds to the increase in the allocation of new budget  
2 authority provided pursuant to subsection (a) for fiscal  
3 years 2004 through 2008, but such outlays may be allo-  
4 cated only for programs, projects, and activities within the  
5 highway and transit categories as defined in sections  
6 250(a)(1)(B) and (C) of the Balanced Budget and Emer-  
7 gency Deficit Control Act of 1985.

### 8 **TITLE III—SENSE OF CONGRESS** 9 **PROVISIONS**

#### 10 **SEC. 301. SENSE OF THE CONGRESS REGARDING FUNDING** 11 **FOR HOMELAND SECURITY.**

12 (a) FINDINGS.—Congress finds that—

13 (1) the President's budget includes a total of  
14 \$41.3 billion for all homeland security activities for  
15 2004, including mandatory, discretionary, and fee-  
16 funded activities;

17 (2) the President's current budget does not con-  
18 tain any additional funding for 2003 for homeland  
19 security beyond what has already been provided; and

20 (3) there is need for additional homeland secu-  
21 rity resources for 2003, 2004, and subsequent years  
22 in order to protect our country against terrorist at-  
23 tacks.

24 (b) SENSE OF THE CONGRESS.—It is the sense of  
25 the Congress that—

1           (1) this resolution provides \$10 billion in addi-  
2           tional homeland security funding for 2003, and a  
3           total of \$24 billion in additional homeland security  
4           funding in the years 2004-13, for a total of \$34 bil-  
5           lion above the President's request over the time pe-  
6           riod covered by this resolution; and

7           (2) this funding provides the resources needed  
8           to train and equip our first responders, strengthen  
9           the security of the Nation's transportation system  
10          and other critical infrastructure, increase the pre-  
11          paredness of our public health system, and secure  
12          our borders.

13 **SEC. 302. SENSE OF THE CONGRESS REGARDING THE CON-**  
14 **SERVATION SPENDING CATEGORY.**

15          (a) FINDINGS.—Congress finds that—

16               (1) the fiscal year 2001 Interior Appropriations  
17               Act (P.L. 106-291), which established a separate  
18               discretionary spending category for land conserva-  
19               tion and natural resource protection programs for  
20               the fiscal years 2001 through 2006, passed by large  
21               margins in both the House and the Senate;

22               (2) in establishing a separate conservation  
23               spending category, Congress recognized the chronic  
24               underfunding of programs that protect and enhance

1 public lands, wildlife habitats, urban parks, historic  
2 and cultural landmarks, and coastal ecosystems; and  
3 (3) the expiration of the provisions of law defin-  
4 ing and enforcing the conservation spending cat-  
5 egory was not due to a lack of Congressional support  
6 for the programs included in the category or a loss  
7 of desire to set aside dedicated funds for those pro-  
8 grams.

9 (b) SENSE OF CONGRESS.—It is the sense of the  
10 Congress that the any law establishing new caps on discre-  
11 tionary spending should include a separate conservation  
12 spending category for fiscal years 2004, 2005, and 2006  
13 and that total funding for that category for each of those  
14 fiscal years should be set at the levels established in P.L.  
15 106–291.

16 **SEC. 303. SENSE OF THE CONGRESS REGARDING CONTIN-**  
17 **GENCY AND PRIORITY RESERVE.**

18 (a) FINDINGS.—Congress finds that this budget reso-  
19 lution provides a total of \$54 billion of unallocated funds  
20 that have been counted as though spent, including the con-  
21 sequent cost of debt service.

22 (b) SENSE OF THE CONGRESS.—It is the sense of  
23 Congress that the \$54 billion reserve in this resolution  
24 should be considered to provide funding for any contin-  
25 gencies and priorities that may arise.
